Presented by the Students of Northwest Missouri State College, Maryville, Missouri.

# FOREWORD

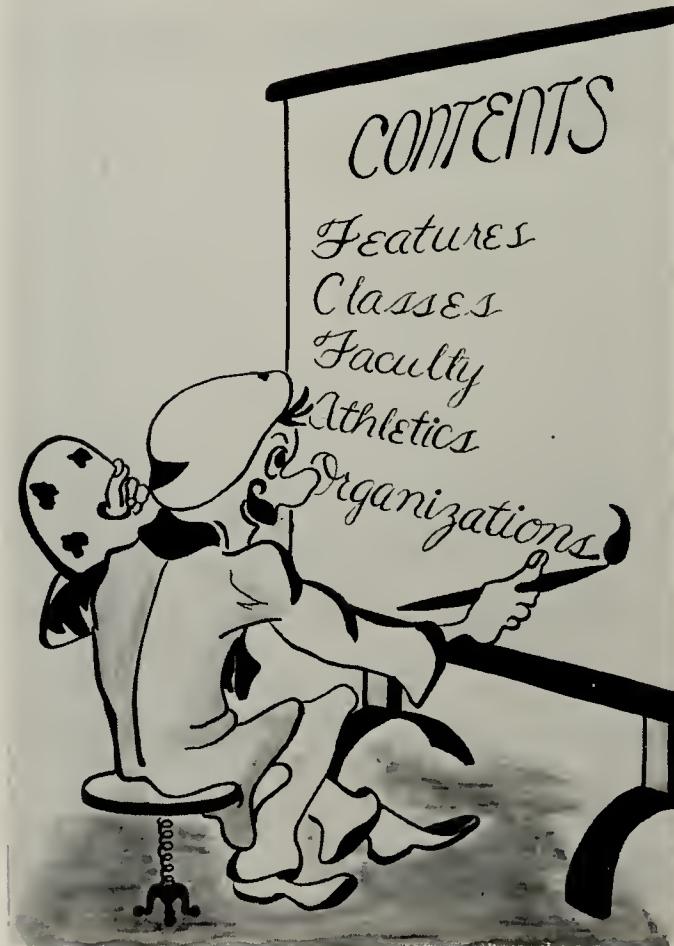

This year's Tower comes to you at a time of progress and foresight evidenced by long range plans at our College. Every day of the year has given indication of the hard and time consuming work done by the administration and faculty of the school as they worked together in an effort to give us, the students, a better college in which to work and live. Their struggle to improve the curriculum and courses of study to better meet our needs is evidence of the interest our College takes in us.

Plans are under way to provide three new building projects on the campus, including a student union building. This, the students of MSC have long waited and hoped for. This year, through their strong and united

efforts in indicating their desire and their belief in the need, the administration came through.

The steady flow of new students into the College to take the place of those who graduate has kept the enrollment up to the place where those who make the workable plans could see fit to build additions to the men's and women's dormitories. All this has come about, in plan, during the year that this book represents.

And so, the 1950 Tower represents to you a year of accomplishment in the realm of advancement for the Northwest Missouri State College . . . For those of you who remain, may the next year be one of achievement of these high goals.

## DEDICATION

To Miss Olive DeLuce and the splendid contributions made by her and her department toward the welfare of the school, the Tower staff of 1950 dedicates this edition. Miss DeLuce and her students in art have done much during the past year toward the success of many events in which they have directly or indirectly participated.

Do we have Homecoming every Fall? Surely, we do! Do we have a great many dances in the course of each year? Of course, we do! Do we have an enormous number of campaign sessions each year? You bet, we do! . . . And in each of these and many other of the things that go to make our College the enjoyable place in which we live, the art department, directly inspired by Miss DeLuce, contributes much of the time and labor. Many have been the fine things turned out by them.

Our theme this year is Art, and so we very happily make our dedication to Miss DeLuce who gives her time that Art may be preserved and forever expressed "out on the hill" at MSC.

# 1950 TOWER DANCE

Highlighting the activities at the 1950 Tower Dance was the victorious Tower Queen, Mary Lou Rockwell. Miss Rockwell won over four other contenders, Sharlis Marple, Barbro Bolinder, Katie Espy, and Helen Echterling, who became her attendants for the coronation ceremony.

Miss Julia Polton, 49'er Queen of the Tower, stepped aside at the decorated entrance to reveal the new queen. In the coronation march that proceeded from one end of the dance floor in room 114 to the stage at the other end, Miss Rockwell was preceded by Stevie Brown, who carried the crown; Jane Garner, who carried the queen's bouquet; and Mary Gibson, who strewed flowers along the way. Following the queen were her attendants.

In the crowning spectacle, Jewell Rice, Tower Editor, placed the crown and congratulated the new queen. Following that, the queen and her escort danced the Queen's Dance, and later the four attendants and their escorts joined in. Dancing was then continued to the music of Bob Tebow and his Collegians.

Decorations were red, white and gold in

color. Artificial walls of red and white were made more natural by red pillars placed at intervals around the room, reminiscent of the art theme of the ruined cities of Greece.

Jewell Rice made the announcement of the Tower dedication to Miss Olive DeLuce, head of the art department. Miss DeLuce, expressed her gratitude to the staff.

Bill Elam and Herman Hausheer introduced the guests to the receiving line which included, Editor Rice and Miss Marilyn Gruber; Dick Gordon and Miss Bedonna White; Jim Hill and Virginia Hill; Mr. and Mrs. Howard Ringold; and Dr. and Mrs. Jones, and Miss Olive DeLuce, honor guest.

Helen Fisher was in charge of the guest list for the dance. Sue Condon, Joyce Bush, Jean Long, and Jim Hill planned the arrangements for the coronation of the queen. Paint smearing and designing were done by Jim Hill with capable assistance from members of the art department.

Margie McGee was chairman of the foods committee. The dance programs were designed by Martha Nelson, assistant art editor.

ESCAPE BY CORBINO

# FEATURES

# WALKOUT DAY

Walkout Day arrived last Fall, just as it always does, on the day when almost everyone supposed it could not possibly be. Many were the wailings and moanings of the Freshmen as the husky members of the M-Club herded them into double file rows and headed them in the general direction of town.

On the way to the business section, a few small burdens were loaded upon the shoulders of the suffering first-year men. However, the real test of their endurance came when they arrived at the court house. There, various means of torture were devised by the big badmen. Some of the girls suffered the pangs of pulling tape out of a tangled mass of hair, and a great many of the boys had no hair left from which to pull anything.

Long to be remembered are the two Freshmen pushing the potatoes down Second Street with their noses, as a penalty for trying to escape.

From there, following the many attempts at buttoning on Main Street, the merry group proceeded to the College pond where the traditional dunking of a few characters was enacted. For the first time in the history of the College, a Freshman of the opposite sex was also dunked. Alyce Whitlatch became the first woman to be initiated by a bath in the pond.

From the pond, the girls sought to regain their shoes from a pile containing all the freshman shoes in school. Then to the college park where the whole school joined together in an all-school picnic.

# WALKOUT DAY

## REGISTRATION DAY

Registration Day arrives five times a year at M. S. C. By the term, registration, is meant the fatal signing up for all the classes you plan to struggle through for the ensuing quarter, giving the college authorities the information they need to know about you as a student, and that very minor necessity, trading your money in for a locker key and a few small cards.

During the past year, a system of pre-

registration has been devised. This system gives the student who knows what he plans to take for the coming quarter a chance to fill out his cards and get his advisor's signature before the mad rush of the actual registration day.

The day, having been one of continual, rugged struggle, is generally finished off in the evening with something more enjoyable, generally a party or a dance.

# CHRISTMAS BALL HANGING THE GREENS

Always a favorite part of the Yuletide festivities is the annual Christmas Ball. This year, the dance was the first formal all school affair of the school year. It was held Saturday night, December 10, in the gymnasium.

Mr. Herman Hausheer was chairman of the planning committee.

Monty Pitner was in charge of the intermission program, and Helen Fisher handled the refreshments. Tickets and their sales were taken care of by Margie McGee.

Bob Guthland and Bill Edie capably led the able decorators who set the atmosphere for the music of Bob Wiard and his band.

The Hanging of the Greens has been an annual affair since 1955.

This year, the event was held on Sunday afternoon, December 18, 1949. Betty Hudson read the story of Christmas; the girls of Residence Hall, members of the Dance Club and music department performed the traditional dances and musical numbers.

Mary Booth was the Spirit of Misrule. Bearers of the Greens were Margaret Curry, Bill Edie, Ruth Holbrook, Mary Lou Rockwell, and Pauline Cramer. Norine Norris served as the Spirit of Christmas and Margie McGee and Shirley Jennings lighted the Yule Log.

# COLLEGE MUSIC DEPARTMENT

*College Band*

The band possesses new uniforms which are displayed both in marching and concert band. Membership is extended to all college students who can play a band instrument.

The string ensemble consists of string players whose playing proficiency makes their position in this stimulating organization possible.

*String Ensemble*

*Tower Choir*

The college choir is maintained for those students who enjoy expressing themselves through the medium of fine choral music. Membership is open to any college student having sufficient ability.

The small ensembles, both instrumental and vocal, entertain not only the college audiences but are invited to appear many places in our vicinity.

These students as seniors have distinguished themselves as student senators, presidents of clubs, teachers, athletes, writers, journalists, editors, actors, and honor students. In recognition of their outstanding achievements, they have been selected to represent the Northwest Missouri State College in the 1949-50 edition of Who's Who Among Students in American Universities and Colleges.

Chosen by a faculty committee, they have also been selected on a basis of contribution to the welfare of the school, as well as for their own personal development during their school years. Scholarship and evidences of preparation for the future were considered as factors in the selection of these honored students.

During each of the four years that these people have spent at the College, many activities were planned and promoted by the students. Many were the dances, plays, parties, publications, and general activities that were constantly on the move at the College. Leaders are necessary for each of the activities that go on, and these people who are now honored have done much of that leading.

The best wishes of the school, both in ranks of faculty and students, go with these people as they go out to the various jobs for which they have been prepared. Their wish is that these students, who have gained so much success during their college careers, may continue to do the excellent work for which they are so honored on this page.

# LABORATORY SCHOOL

Horace Mann Laboratory School is an integral part of the College, designed to give prospective teachers well-rounded experiences. Attending the school are children from nursery school through high school.

Before a student receives his B.S. degree in Education, he must have had two quarters of teaching in the laboratory school. Therefore, it seems necessary that the college revolve around the Horace Mann School.

The administrators strive to make it possible for each student teacher to have the fullest experience inside and outside the classroom to meet skillfully the problems of a teacher.

It is necessary for the school to have modern and efficient equipment as well as good methods of teaching. For this purpose, well qualified supervising instructors are assigned to each group of students taught. Each student teacher must observe and participate

until finally he has full responsibility for preparing lessons and teaching the class.

The student teachers have the opportunity of participation from nursery school through high school. Not only is the student teacher responsible to the college professor concerning his methods, but his teaching is also under the supervision and observation of the supervising teacher. Although the student teachers change from quarter to quarter, the supervising teacher insures continuity in the Horace Mann classes.

Each week a seminar is held for all student teachers. These are organized, and the president, with four other members, selects the programs for the quarter. Student teachers and supervisors may turn in a list of topics they desire to have covered.

Many of the supervisors take their student teachers to observe other schools that have done outstanding work along similar lines.

# LIBRARY

Under the capable leadership of Mr. James Johnson, chief librarian, the library has continued to grow in service to the students, faculty, and alumni of the school.

The browsing room, which is enjoying its second successful year as a part of the library, has become even more popular with the students this year. It is that comfortable place with the easy chairs where one may

The Instructional Materials Bureau has also been of great benefit to the students and faculty during the year. Along with these other features, the Reserve Room has given its usual valuable assistance.

# A MESSAGE FROM THE PRESIDENT

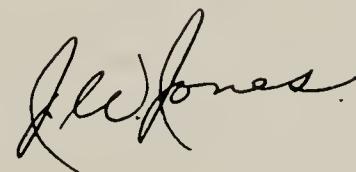

I am glad that the Tower Staff has dedicated the 1950 Tower to a member of our teaching staff. Miss Olive DeLuce has contributed a great deal to the growth of this college. She has entered wholeheartedly into the life of the community and the district. She has been unsparing in her efforts to help others and to advance those things in which she has been most interested. She has put her profession above self.

Miss DeLuce has touched the lives of many people, both as a teacher and as an artist. Her talents in both fields are outstanding. She has used these qualities toward the betterment of the lives of others. It is regrettable that her duties as a teacher have kept her from spending more time at her easel, but the satisfaction of her influence on her students is undoubtedly worthwhile compensation.

No group in this community or district

has ever asked Miss DeLuce for help in the field of art and found her unwilling to be of service. She has traveled far in all kinds of weather to be of assistance in her field of specialization.

To stimulate others to high levels of accomplishment is the work of a teacher. To add to the enjoyment of others is the work of an artist. Miss DeLuce as a teacher-artist has done both. By dedicating the 1950 Tower to her, the students have found a fitting means of saying: "Thank you, Miss DeLuce, for your influence on the lives of the men and women of this college."

## BOARD OF REGENTS

Working with Dr. J. W. Jones, College president, the Board of Regents has done an outstanding job of promotion for the Northwest Missouri State College this past year. Through the efforts of Dr. Jones and this hard working board have come the valuable plans for construction of the three new building projects on the campus.

## PRESIDENT EMERITUS

President Emeritus Uel W. Lamkin has served our College well for more years than any of the students today can possibly remember. He has been a staff to lean on and a leader through good days and bad for many years. Back in 1925, the Tower staff called him, "A true American Diplomat." That, he has always been.

In 1946, Dr. Lamkin wrote in the Tower: "The college can not and will not stand still. The needs are not the same as they were some twenty-five years ago. Northwest Missouri must be served differently and better. All youth in Northwest Missouri must be given a chance for formal cultural, and vocational education beyond the high school level." That, he always believed.

In 1947, he said, "Every generation stands on the shoulders of the former one. That is the only way for progress." We of the Tower staff wish to take this opportunity to thank our President Emeritus.

Row Two: R. L. Douglas, Vice-President, St. Joseph; M. E. Ford, President, Maryville; A. B. Kammerer, Chillicothe; Joe M. Roberts, Gallatin.

This board is selected by the governor of the state of Missouri from the nineteen counties of the Northwest District. The men are selected on a basis of their interest and loyalty to the cause of promoting education at the college, and their efforts have been outstanding during the past year. To their efficiency and hard work, the college owes much of its continuing progress.

## BUSINESS MANAGER

In the position of Business Manager for the College, Mr. Harold V. Neece handles the financial affairs of the College. This position includes overseeing the incoming and outgoing money of each organization directly sponsored by the school as well as the larger financial problems that occur.

Mr. Neece received the B.S., and A.B. degrees from the Southwest Missouri State College and the M.S. from Oklahoma A. & M. College.

## DEAN OF WOMEN

Miss Martha Locke serves the students of the College as Dean of Women. Among her duties are the scheduling of women's labor, arranging the sports and social calendars, and supervising the women's housing programs. Miss Locke has the B.S. and M.A. degrees.

## REGISTRAR

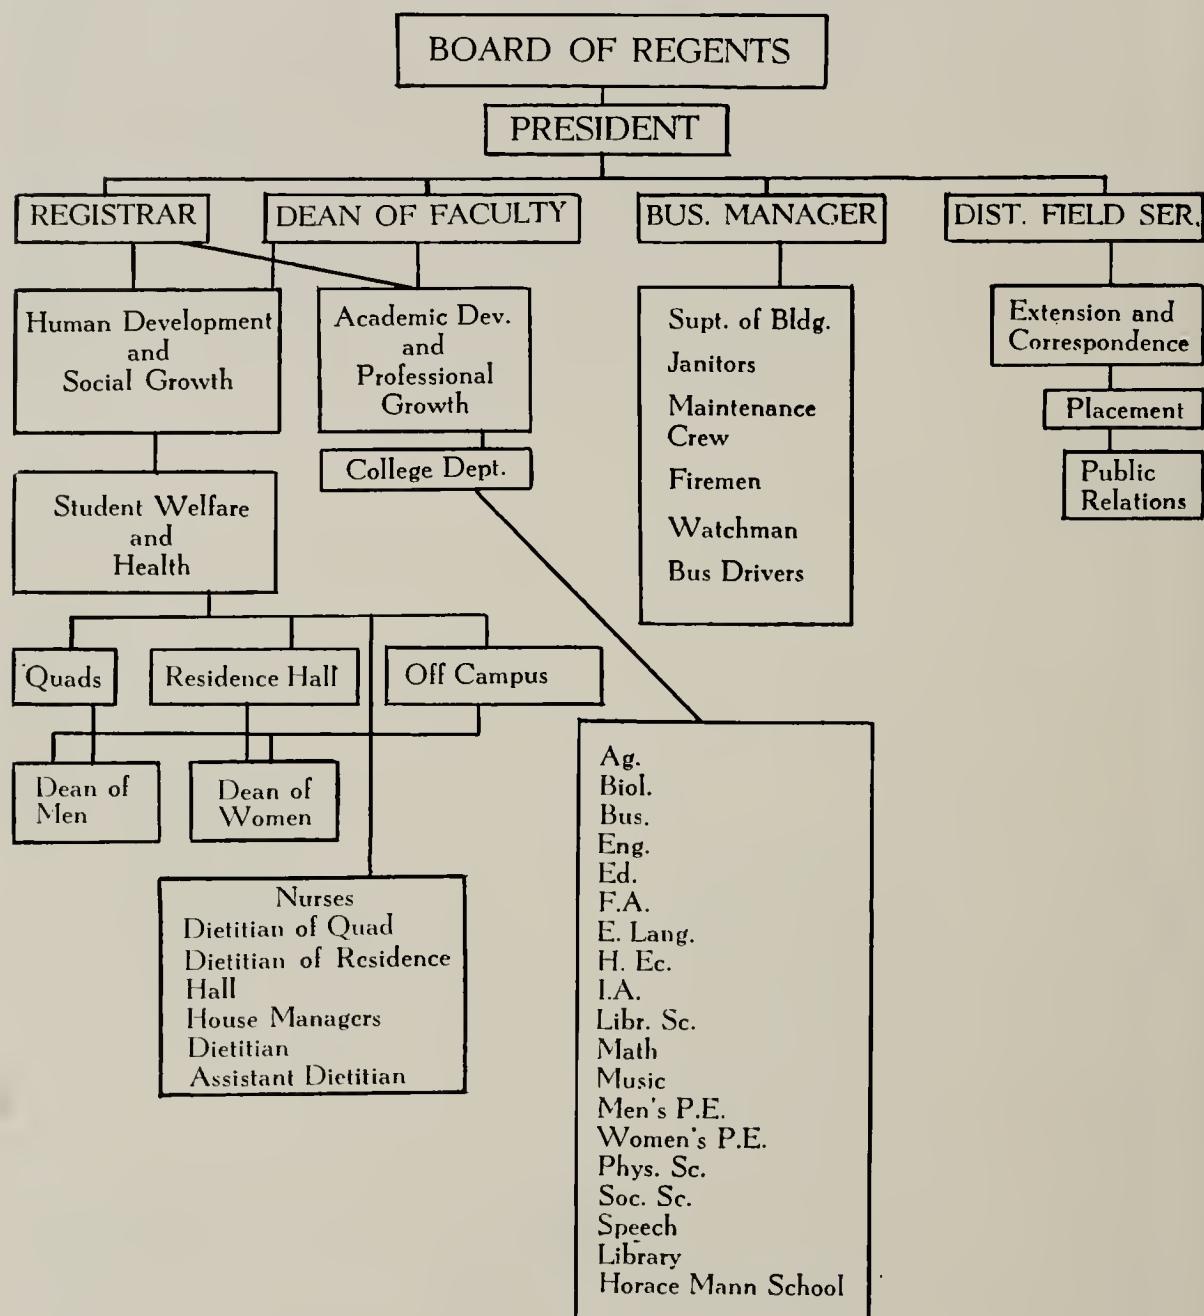

Coming to the College in the fall of 1948, Mr. Robert Foster assumed his present position as Registrar. In this official capacity, he takes care of transcripts, grades, transfer records, and all other records of past and present students. Mr. Foster is a graduate of the Central Missouri State College, at Warrensburg, and has done graduate work at the University of Missouri.

## DEAN OF MEN

As Dean of Men, Mr. Lon Wilson is the personal advisor and friend to the men on the campus. His job as counselor, housing arranger, and male student labor planner brings him into contact with nearly all the male students at some time during the year. Mr. Wilson has the B.S., and M.A. degrees.

**MARYVILLE 27 KIRKSVILLE 20**

Facing a big and rugged Bulldog team, Maryville came from behind to score three touchdowns in the third period and one in the fourth, in the crucial battle for the hickory stick, which Maryville brought home for the third time straight.

The scoring was done by Norman James, who tallied up two touchdowns, and ends Weed and Yurchak, both of whom snatched passes to chalk up 6 points each. Hoffman converted with three for four.

**MARYVILLE 15 ROLLA 41**

In the first quarter, the Bearcats moved into the lead and held a 7-0 edge over the Miners. Another counter was gained by the Big Green early in the second stanza to give the home team a 15-0 lead. From here on, the Miners let loose with everything they had, and by halftime had rolled up three touchdowns to pull out ahead 20-15.

**MARYVILLE 14 SPRINGFIELD 14**

to hold a favored Springfield team to a 14-14 deadlock.

The first quarter was scoreless, but it was James early in the second period, who took the apple over the line.

It was Weed, James, and Zuchowski, — a triple threat. With this combination, the Cats battered the wall of Springfield to their own five, and Weed took it over for the second marker. Hoffman converted to add the extra points.

**MARYVILLE 40 WARRENSBURG 12**

Milner's Bearcats climaxed the 1949 season with a decisive smash win over the Warrensburg Mules. This win placed Maryville and Springfield in the second place of the M.I.A.A. It was Maryville from the opening whistle to the final gun, as eleven seniors gave it their all in their last battle for their Alma Mater.

Highlighting the game was unveiling Milner's surprise spread formation which proved good for two touchdowns. Scoring for the day was done by Weed, James, and Tobin, and Hoffman split the uprights four times in six attempts.

# TRACK

Under the tutoring of Coach Ryland Milner, the Bearcat Cindermen had an impressive 1949 season, sweeping all their dual meets, and winning the M. I. A. A. championship.

Only once did the Milnermen taste the bitterness of defeat in "49", and that was brought upon them by a fleet footed Texas tribe from Abilene in a triangular meet with Abilene, Maryville, and Ottawa, Kansas, taking the ribbons respectively.

Topping the season was the conference meet, which was held at Columbia, on the

grounds of Missouri University. It was the Big Green Wave rolling over all competitors, and defeating the defending champions from Rolla and taking 49 points to the Miners 40.

Highlighting the meet was the 60 yard dash. It was in this event that the Bearcats quickly and easily picked up twelve points, to put them in the "Blue Ribbon Bracket." Scoring in the 60 yard dash was done by Donnie Neil, Pat Zuchowski, and Phil Carter, who finished first, second, and third respectively.

## HOMECOMING

Changing from one of the big events that happen every year to just about the biggest that happens all year, Homecoming, 1949 fashion, vaulted into the limelight on Friday night, October 28. It all began on the auditorium stage where Barbara Munson, Mistress of Ceremonies, put the Variety Show on its way before a "full house."

After a two and a half hour show with twelve organizations competing, the judges awarded the Independents Club the first place plaque for their skit. The ACE won second; the Alpha Sig-Sig Tau skit won third; and the Delta Sigs and Tri Sigs tied for fourth. Climaxing the show, Miss Joyce Bailey was crowned Homecoming Queen.

Following the show, a giant pep-rally was held in Memorial Stadium. Monty Pitner, co-captain of the cheerleaders, presided.

Saturday morning, following all sorts of breakfasts, teas, and coffee hours in honor of returning alumni, the big parade got under way. About twenty organizations from the school, fourteen high school bands, and many clowns, bicyclists, and jalopies participated. The Ag Club won first place in the parade. The M-Club took second prize;

ACE won third; Alpha Sigs won fourth; and the Delta Sigs and Kappa Omicron Phi tied for fifth. The Tri Sigs won the prize for the most originality and for parade participation.

Keeping the ball rolling toward making a perfect weekend for the alumni, the Bears marched to a thrilling 41-14 victory over the Cape Indians. Norman James and Wilbur Pollard received trophies for being named the best back and lineman, respectively, during the Homecoming game.

Alpha Phi Omega won the house decorations contest and Alpha Sigs came in second. The Tri Sigs won third; the Delta Sigs won fourth; and Phi Sigs took fifth.

Saturday night, the weekend activities were drawn to a close when students, faculty, and alumni danced to the music of Benny Strong and his orchestra at the Homecoming Dance.

The following week's assembly program announced the Independents and Tri Sigs as co-winners of the 1949 Supremacy Plaque, for general participation.

Jane Bovard and Bill Elam served with Dr. John Harr as Homecoming Chairmen.

# CHEERLEADERS

Selected by a committee appointed by the Student Government Association, the cheerleaders are appointed each year from a group of interested candidates for the job. They are chosen on the basis of pep and enthusiasm and originality.

This year's group has certainly displayed all of this and much more. More originality was cooked up by the co-stunt captains, Marge McGee and Monty Pitner, than has

been seen around this old school in many a moon. The group, as a whole, did a fine job throughout the year.

Some of the acrobatic stunts that were performed by the group as a whole were outstanding. The little performances presented extemporaneously by Monty Pitner were among the never-to-be-forgotten things that happened at the ball games this year.

# WOMEN'S PHYSICAL EDUCATION

The Women's Physical Education Department is the ideal organization for all girls who enjoy sports. It gives the girls a chance to participate in various activities, and provides a recreational program for everyone.

Since time has changed dancing into an energetic sport, many dance classes are offered. These classes provide the opportunity for all girls to acquire a certain degree of understanding of many dances. There is

also provision made for outdoor sports; tennis, golf, archery, and field hockey rate high with the girls participating.

The aims of the Women's Physical Education Department provide for additional recreational activities offered by the WOMEN'S ATHLETIC ASSOCIATION, DANCE CLUB, and THE SIGMA PHI DOLPHIN CLUB. These organizations are provided for those who are interested in the varied courses which are offered.

# TOWER STAFF

We are your Tower Staff, and we hope you will like the job we have done for you, the people associated with the College. If you like it tell us about it or if you do not like it tell us too.

Jewell Rice has given his time as Editor. Dick Gordon has pencilled his way through the Business Manager's job. Jim Hill is responsible for much of the art work as his job is Art Editor. Helen Fisher served as Assistant Editor, and Bill Elam is credited

with all the editorial comment.

Martha Nelson was Assistant Art Editor, and Joe Zelenz reported the material for the sports pages. Jean Long was Faculty Editor; Marjorie Lewis was Copy Editor; Monty Pitner Organization Editor; other members of the staff helped with the many other jobs that go into publishing a yearbook.

The thanks of the Staff go to Mr. Howard Ringold and Miss Dorthie Hall who gave much time as faculty advisors.

## STUDENT SENATE

The executive powers of the Student Senate are vested in a president and vice-president who are elected by the student body; and a secretary, treasurer, and parliamentarian who are selected by the vote of the Senate. The legislative and judicial powers are held by the president, vice-president, and four members of each class except the freshmen, who have two.

In the annual all-school election of 1949, Sam Carpenter was elected president, and Ruth Holbrook, vice-president. The new officers and senators were sworn into office in April, 1949.

As soon as the new senators came into office, the secretary, Peggy Ford, the treasurer, Andy Runge, and the parliamentarian, Bob Guthland, were elected.

One of the first functions of the Senate in the new school year was to help on Registration Day. The practice of handing out numbers for students to use in the book-line was continued. Registration Day was brightened up by the tradition of "green hats for the Freshies" which was revived.

Other duties of the Senate during the fall quarter were the handling of "Walkout Day" which was conducted by the Senior Class under the auspices of the Senate, and the selection of the cheer leaders and the Social Committee.

The biggest project which was undertaken by the Senate this year was the organization of a Student Union. This idea was instigated and carried out by a committee from the Senate. This committee was headed by Bob Guthland. After the initial work on this project was done, the plans were turned over to a group composed of representatives from various organizations that were interested in the Union.

## NORTHWEST MISSOURIAN

The Northwest Missourian staff has endeavored to provide the students of the college, as well as the alumni, with interesting and worthwhile reading material.

During the past few years, the Missourian has become established as one of the leading college newspapers in Missouri, under the leadership of Miss Violette Hunter, faculty advisor. The quality and the quantity of interesting articles have placed the paper among leading student publications in many states.

During the scholastic year of 1947-48, with Paul Gates as student editor, the Northwest Missourian was elected as the best Class B student newspaper in the Missouri College Newspaper Association contest. The papers were judged by members of the faculty of the School of Journalism at Missouri University in Columbia.

In recognition of this honor, the Northwest Missourian was awarded a gold

MCNA Globe-Democrat Plaque to be held for one year.

The Northwest Missourian is a member of the Northwest Missouri Press Association, the Missouri College Newspaper Association, and the Associated Collegiate Press. It is published twice a month from September through May.

In 1948-49, with Reva Jo Kerns as editor, the Northwest Missourian was again judged the best Class B student newspaper in the Missouri College Newspaper Association contest, and again the gold MCNA plaque was held by the school. Permanent possession of the plaque will be gained if the Northwest Missourian should win first in the state contest once more in the next four years. As the Tower goes to press, editors for 1949-50, Herbert Awe and John Price, hope they can make this year the "once more" year.

# SOCIAL COMMITTEE

The Student Social Committee has sponsored a Freshman Mixer, a Registration Day Dance, after-game dances during the football and basketball seasons, the Sadie Hawkins Dance, and the Christmas Ball which was the first formal dance of the year. The Tower Dance was sponsored by both the Social Committee and the Tower Staff.

Sadie Hawkins Day was its usual unique self and the Sadie Hawkins Dance was held on Saturday evening of Sadie Hawkins Week.

The Christmas Ball was very colorful this year, since special Christmas decorations were purchased for the event. Bob Wiard and his Band provided the musical background.

The Tower Dance, with the crowning of the queen, Mary Lou Rockwell, during intermission, was the most looked-for dance of the year.

## INTRA-FRATERNITY

The Inter-Fraternity Council was first organized on this campus in 1935. Its aim is to promote and maintain mutual welfare and friendship between the two social fraternities. This organization in the past year has set up several requirements concerning the pledging of men, so that a man must have a scholastic average of "M" and must have attended this college for one quarter in order to be eligible.

The membership of the Inter-Fraternity Council is made up of the respective organizational presidents and three members chosen at large. The fraternity president whose organization is in majority is the chairman, and this chairmanship alternates annually.

## PAN-HELLENIC

This year the Council has been especially active. Following a revision of the constitution last spring, the main rushing season was held the fourth week of the winter quarter. This rush week was opened by the annual Pan-Hellenic tea.

One of the main accomplishments of the council this year was to revise the constitution to meet NPC's stipulations. Under the auspices of the council, the scholarship cup was presented to the Tri Sigma sorority for the second consecutive year.

# SIGMA SIGMA SIGMA

Alpha Epsilon chapter of Sigma Sigma Sigma, associate member of the National Pan-Hellenic Conference, has been an active organization on this campus since 1927.

To begin the year, Tri Sigmas won the coveted scholarship cup for the second consecutive year. The cup has been set up as a scholastic competition among the three sororities on the campus.

Homecoming followed with Tri Sigmas and Independents tying for first place for the Supremacy Cup. The theme of the float entered in the parade was "Hold That Line," which was carried out in the purple and white colors of the sorority. Two of the attendants at the Queen Coronation were Marilyn Alexander and Sarabel Davis, Sigma sisters. Tri Sigma's entry in the Variety

show was a skit, "The Sheik of Araby."

Rushing was during the winter quarter, and Tri Sigmas used a gay Mexican theme at the rush party, which was held at the Country Club. As a result of the party, Tri Sigma gained thirty-four new pledges.

Two Tri Sigmas were honored at the 1950 Tower Dance; Mary Lou Rockwell was chosen Tower Queen, and Sharlis Marple was one of the Tower Queen attendants.

Other events of the sorority year included the annual Christmas Party with an exchange of gifts, the "Founder's Day Banquet", the George Washington Dance and Theatre Party, and the annual Spring Formal. Dr. June Cozine is sponsor of our sorority.

# DELTA SIGMA EPSILON

Alpha Phi chapter of Delta Sigma Epsilon is a member of the National Pan-Hellenic council and was established on this campus in 1947. The aims of the sorority are to develop character, to promote scholarship, and to develop leadership.

Active members gave a Halloween pledge dance honoring the new pledges in the Bearcat Den in October. During Homecoming, the house decorations, float, and skit took honors.

Christmas activities included the annual Christmas tea for the faculty women, and a Christmas Bazaar.

The month of January was full of activities beginning with the traditional "Snow Festival," this being the first to be a formal affair. The following week, an informal rush

party built around a "Magazine Theme" was held at the Country Club.

Helen Echterling, Delta Sigma, was one of the Tower Queen attendants honored at the '50 Tower Dance.

Activities for the spring quarter included a spring formal and an installation of officers in May.

Social services by the Delta Sigs included contributions to the infantile paralysis funds and gifts to the Carville, Louisiana, Hospital for Hansen's disease.

To keep a tradition of the national organization, several girls this year presented the chapter with a box of candy soon after their engagements were announced.

In August, several girls from the chapter will go to Chicago where they will attend the national conclave.

# PHI SIGMA EPSILON

The Nu Chapter of Phi Sigma Epsilon social fraternity has continued to uphold its high ideals of brotherhood past the middle of the century. Its members have contributed to the betterment of the college through participation in student government, helping to establish a Student Union, and many other campus activities. Three teams of Phi Sigs played in the intramural basketball leagues.

During the annual Homecoming festivities, the fraternity helped with the Variety Show, decorations, and the parade. At this time, a breakfast was held for the active and alumni members.

Two pledge classes were held during the year, bringing a number of new members into the organization.

Among the many social functions of the fraternity were several informal "get-together" dances held in the Bearcat Den. The organization also sponsored an after-game dance for the entire student body, the proceeds of which were donated to a needy family at Christmas time.

In January, twelve members attended the Missouri Regional Conclave at Warrensburg for the purpose of promoting better cooperation and brotherhood with the other chapters in the state.

The year was climaxed by the traditional Spring Formal held at the Country Club and the presentation of the "Phi Sig of the Year" trophy. This presentation is made to the fraternity member who has best lived up to the fraternity ideals during the year.

# SIGMA TAU GAMMA

Sigma Tau Gamma was founded in 1920 on the campus of the Central Missouri State College, Warrensburg, Missouri. It was the desire to perpetuate student friendships in an organization dedicated to true brotherhood that led the charter members to establish Sigma Tau Gamma. Seven years later, Theta Chapter of Sigma Tau Gamma was installed on this campus.

The outstanding achievement in 1950 has been the recent acquisition of the former "R" Club as a chapter room. Through the untiring efforts of every member, the "R" Club was redecorated in the fraternity colors of blue and white, and renamed the Tau Club. Feeling confident that the face-lifting job was a success in every way, the active members invited the local alumni to

a bullet dinner November 15. The potentialities of the Tau Club will undoubtedly be a great asset to the fraternity in the future.

Theta Chapter in co-operation with the Phi Phi Chapter of the Alpha Sigma Alpha sorority enacted a skit at the Variety Show during the Homecoming activities. A float was entered in the parade, and the chapter also decorated a house for the occasion.

On Saturday, October 29, a banquet was held at the local American Legion hall for all actives and returning alumni.

In the spring a delegation of twelve members were guests of Delta Chapter at Emporia, Kansas. In the afternoon the two chapters engaged in a softball game. The crowning event of the visit was the Rose Dance which was held that evening.

# ALPHA PHI OMEGA

Beta Upsilon Chapter of Alpha Phi Omega this year concluded its eleventh year at the Northwest Missouri State College.

Being a service fraternity, Alpha Phi Omega crosses all lines of honorary, social, and professional fraternities, and members of the other campus organizations may also be active in this fraternity. Alpha Phi Omega is not in competition with any other campus group, but, on the contrary, seeks the co-operation of other organizations to broaden its scope of service.

The year's activities began with the annual fall smoker which attracted prospective members. Some of the activities participated in during the year were taking part in Homecoming, in which Alpha Phi won first place

in house decorations and placed second for supremacy trophy; operating a check stand at the Christmas Ball, and publishing the second annual Student Directory, and sponsoring the blood bank and March of Dimes campaign.

Mr. Myron P. Rose has given much of his time and service as faculty sponsor and has done much to make the chapter what it is today.

Although Alpha Phi Omega is essentially a service fraternity, it does enjoy certain social activities. The outstanding social events of the year included an informal dance during the winter quarter, a banquet, and the annual Spring Formal at the Country Club.

# CO-OPERATIVE INDEPENDENT CLUB

The Co-operative Independent Club, a social organization for those students who are not affiliated with any social sorority or fraternity, has been active on the campus for the past three years, following inactivity during the war.

The Independents started the year with a welcome party for the new students. Early in the year, big plans with profitable results were made for Homecoming. Their float tied for second as the most original idea for a float. The float was built around the theme of the football teams' shoes and the slogan on the float was "Through these shoes pass famous people." The Independent skit won first place in the Variety Show. The skit, written by Monty Pitner, was a take-off on a '49'er's dream of a school come true. In

the first scene were the angelic students and their adorable professor, while the second scene was the school in reality—a "bedlam"—. It ended with the old miner's, "It shouldn't happen to a dog."

Sigma Sigma Sigma and the Co-operative Independents tied for the Supremacy Cup which is an annual award given to the organization which has given the best all-around participation in the Homecoming activities.

Various parties during the year included the annual Halloween Masquerade party, the Christmas party, and the Mardi Gras.

Big social events are in the making for the rest of this year and next. Sponsors of the Independents are Mrs. Helen Gee and Miss Dorthie Hall.

# GREEN AND WHITE PEPPERS

This year has been a busy one for the Green and White Peppers, an all-girl pep organization. It started off with a bang with the initiation of twenty-five new members, bringing the membership up to forty. The initiates wore the green and white uniforms in true Pepper fashion.

The Peppers attended one out-of-town football game this year at Kirksville. In spite of troubles with the bus door, we all got back safe and sound. The same held true for the out-of-town basketball game

*Top Row:* Katie Espy, Jean Short, Doris Jean Hamilton, Secretary; Lois Queck, Alice Gross, Jo Ellen Wilson.

attended at Warrensburg. Incidentally, we cheered the Bearcats on to victory in near freezing temperature. Although our feet and hands felt frost-bitten the cold did not keep us from yelling.

At Homecoming, the Peppers gave a chili luncheon in honor of returning grads, and we had a fine time swapping reminiscences. The Peppers also marched in the Homecoming parade and really looked sharp in their snappy uniforms. The organization was founded in 1927, and is sponsored by Miss Bonnie Magill.

# BARKATZE

The Barkatze pep club, founded in 1922, is instrumental in backing our team through victory or defeat. Its members include both men and women.

During this school year, the Barkatze attended two out-of-town athletic contests: a football game at Northeast Missouri State Teachers College in Kirksville, and a basketball game at Central State College in Warrensburg.

At Homecoming they served a chili supper to all members, alumni, and guests.

On January 6, the Barkatze held its 1950 Pep Dance, at which a Pep King and Queen were chosen. The organization also contributed to the half time entertainment during our home basketball games, providing some stimulating programs. The stunts consisted of a mock basketball game and square dancing.

## HOME EC CLUB

The purposes of the College Home Economics Club are to promote friendship and genuine teamwork among home economics students, to develop good leadership and intelligent fellowship, to encourage creative arts, to encourage improvement in scholarship, to provide social, business, and professional experiences, and to cooperate with other local clubs, and state and national groups.

In the fall, the president, Betty Curry, Leota Shipley, Rosetta Reed, and Jo Ellen Wilson, went to Oklahoma College for Women, Chickasha, Oklahoma, to attend the National Province Workshop and to set up the year's program.

The theme for the year was "Putting Yourself in Home Economics." Crafts were carried out through the year such as crocheting, knitting, glove making, textile painting, tooling of leather, and work with plastics and metals. Demonstrations of the various crafts were shown at the regular meet-

ings. Another project was learning to play bridge.

A bazaar was held as one of the special money-making projects. Part of the proceeds were sent to the American Home Economics Association to help sponsor the International Scholarship Fund and to contribute to the Permanent Headquarters Building funds, which will establish permanent headquarters for the American Home Economics Association with which the Home Economics Club is affiliated.

At Christmas time members of the club contributed a game or a stuffed toy, all of which were sent to the Indian Children's Hospital, Tacoma, Washington.

Pins representing the Home Economics Club were also purchased by the club members.

The annual May Breakfast was one of the spring events given in honor of the Senior girls by Kappa Omicron Phi and the Home Economics Club.

# AG CLUB

Students who are majors or minors in agriculture, and other students who have agriculture interests, are eligible to become members of the Ag Club. Membership in the club is intended to enable students of similar background, interests, and training to carry on activities of mutual benefit. Mr F. B. Houghton is sponsor of the organization.

During the Homecoming celebration, the Ag Club participated in the parade with a float which took first place. The float consisted of a miniature football field, and a slaughter house. It was pulled by a colorfully decorated jeep.

In December, the club held its first barn-warming, which is expected to be an annual event in the future.

In the spring, when vocational agriculture and F. F. A. contests are held annually by the agriculture department, members of the club assist with the contests.

The club has its own official emblem and colors. The emblem is a massive head

of a beef bull worn on the back of a gold and black jacket. The bull's head represents one of the major livestock enterprises found in northwest Missouri and southwest Iowa, beef cattle. This area, from which most of the Ag Club members come, is also noted for its black soil and the ears of golden corn piled high in the cribs at harvest time.

The major activity of the club during the school year is the livestock judging contest, followed by the annual award banquet. The contest was held this year on April 15, with all of the members participating. Several classes of beef cattle, sheep, and hogs were judged, and scores were compared with those of experts. Medals were awarded to the high point individual in cattle, hogs, and sheep, with a golden steer trophy going to the high point man of the contest. All awards were presented at the award banquet held at Residence Hall on April 21. Special guests at the banquet included Dads of the club members, administrative officers of the college, and stockmen who furnished the livestock for the contest.

# KAPPA OMICRON PHI

Kappa Omicron Phi is a professional home economics fraternity for girls with high scholastic rating and high ideals.

The Alpha chapter of Kappa Omicron Phi was organized on this campus with Miss Hettie M. Anthony as founder, on December 11, 1922, thus giving our College the distinction of being the first chapter of this national organization. Dr. June Cozine, our sponsor, is past National President of the organization. Miss Mabel Cook, our co-sponsor, conceived the idea for the organization.

The theme of our programs for this year was "The Kappa Omicron Phi Girl, Her Philosophy and Code of Conduct." This program was designed to improve the character and personality of each girl. One of the

actives was held responsible for bringing before the group one phase of this theme in an entertaining and educational program each month.

The Kappa Phi girls have purchased a radio phonograph, which they have placed in the home economics lounge at the College. The radio phonograph is used after home economics meetings, during parties, at teas, dinners, etc. This piece of furniture not only adds beauty to the lounge but is entertaining and useful for playing the music for our initiation ceremonies.

Some of the activities of the year include the Founders Day Dinner, Senior Day Dinner, Cake Walk, Candy Sale, Picnic, etc. A party is being planned for this spring.

## FUTURE TEACHERS OF AMERICA

The John Dewey Chapter of the Future Teachers of America was reorganized on this campus this year. Mr. James Rybak is the sponsor.

The purposes of the club are: to develop among young people an organization which shall be an integral part of state and national education associations; to acquaint teachers

in training with the history, the ethics, and the program of the organized profession; to give teachers in training practical experience in working together in a democratic way; to interest the best young men and women in education; and to encourage careful selection of persons admitted to schools which prepare teachers.

## INTERMEDIATE EDUCATIONAL CLUB

The Intermediate Grade Teachers is an organization for those students who plan to teach in the intermediate and junior high grades. A meeting is held every two weeks at Horace Mann, with every third meeting being a social one. The programs are designed to help the members when they become active in the teaching profession. Miss Mary Keith is the club's sponsor.

The club took part in Homecoming by decorating a house, entering a float in the parade, and presenting a skit in the variety show.

In November, the club sponsored its second annual all-school square dance and was honored to have Mr. Durward Dewitt of the Youth Movement from Kansas City take charge of the program.

With the ultimate aims being to gain experience in acting and obtaining pleasure and amusement from the work, the Dramatics Club was organized for 1950.

William Elam was chosen president; Monty Pitner, vice-president; and Robert Lister, secretary.

"Joan of Lorraine" by Maxwell Anderson was the first major production. Ivoldene Crabtree had the leading role—that of portraying Joan. Others in the cast were: Charles Rupe, John Pope, William Elam, Herbert Awe, Barbro Bolinder, Monty Pitner, Sue Condon, Charles Newton, Jim Hill, Jim Pool, Alyce Whitlatch, Andy Runge, Robert Lister, John Price, Dwan Wick, and Carolea Pritchard.

An experimental play, "The Father," by Johan Strindberg, was presented in "The Little Theatre" before invited groups. Andy Runge played the father which was the lead-

ing role. Other members of the cast were: Sue Condon, Ray Nixon, Barbro Bolinder, Charles Newton, Dwan Wick, John Pope, and Diane Dressler. The play was directed by Barbro Bolinder and Agneta Wohlfahrt.

The second major production, William Shakespeare's "The Comedy of Errors," was presented during the spring quarter.

The father of the Dramatics Club, Alpha Psi Omega, which is a National Honorary Dramatics fraternity, is made up of those students who show an active interest in the art of acting and who meet the requirements of the organization.

Officers for this year are: president, Betty Hudson; vice-president, Betty Grace; and secretary-treasurer, Manley Vance.

Mr. Robert F. Gee, speech instructor, is sponsor of the club. He directed all plays and coached other activities of the club.

## MATHEMATICS CLUB

The Mathematics Club of Northwest Missouri State College had its beginning March 25, 1949. The senior students who were majoring in mathematics met and organized for the purpose of gaining mathematical experiences not afforded in regular classroom work.

The charter members were Foster Baker, Robert Birbeck, Doran Bowen, Roy Lilly,

## FOREIGN STUDENTS CLUB

The Foreign Students Club is the smallest organization of the campus with only five members.

The purpose of the club is to develop contacts and friendship between American students and students from other countries, to create a better understanding of foreign na-

Richard Owens, Irvin Thomas, and Frank Thompson.

In September, 1949, the club reorganized, and the members of the club decided to include not only seniors of the college, but all students majoring or minoring in mathematics. The purpose of the reorganized club is to promote interest in the study of mathematics and to contribute to the welfare of the mathematics department of the College.

The most important work during the year was the establishing of the Blanche Dow Scholarship Loan Fund, which will be awarded for the first time this spring.

# KAPPA DELTA PI

Kappa Delta Pi, an honor society in education, is to education what Phi Beta Kappa is to the liberal arts school. The purposes of the organization are to encourage high intellectual, personal, and professional standards. Membership is extended only to students of Junior or Senior standing who rank among the upper quartile of the student body and who are preparing for the teaching profession. In addition, these students should possess commendable personal qualities and worthy educational ideals.

The four principal ideals of Kappa Delta Pi are: (1) the ideal of a science which means fidelity to the cause of free inquiry and to the ideal of verified truth, (2) the ideal of fidelity to humanity, the maintenance of faith in the improbability of human nature, (3) the ideal of service which is the

spirit of education, (4) the ideal of toil which means that through faithful work, life is given larger freedom and nobler vision.

Zeta Lambda chapter was installed on the Northwest Missouri State College campus on April 27, 1948, with fourteen charter members.

Fourteen new members were formally initiated on January 25, 1950. Following the initiation, a formal dinner was held at Residence Hall, with the Reverend Arthur Rae-side as guest speaker.

A second dinner was held in April in honor of the second anniversary of the installation of Zeta Lambda chapter.

Faculty sponsors are Dr. John L. Harr, Mr. H. T. Phillips, Miss Katherine Franken, Miss Grace Shepherd, and Miss Chloe Millikan.

# OFF KAMPUS KLUB

The Off Kampus Klub was organized in the fall quarter with Miss Locke, the Dean of Women, as sponsor. It is a group much like the Varsity Villagers but has a co-ed membership.

At the first official meeting of the students, the organization received its present name, The Off Kampus Klub. The officers for the first term were also chosen. They are, President, Richard Gordon; Vice-President, Effie Moffitt; Secretary-Treasurer, Lowell Adams; and Reporters, Marilyn Nelson and Jewell Rice.

It is the purpose of the club to be a service group as well as a social organization. It helps to give opportunities for service to students who otherwise would get little or no chance to help with much of the necessary work carried on by service fraternities and other organizations.

Our first real activity of the year was a float for the Homecoming parade. Because of the time element and our loose organization at the time, this was our only contribu-

tion to the annual affair.

Following the Winter quarter registration, the club held a party and square dance. This party was to let more people know about the organization, and to let new members get acquainted with each other. For this year, our activities have been necessarily confined to organization.

At the present time we are few in number, and as an organization are little known. There are, however, indications that our membership will grow considerably in the next year or so. As the club increases in size and prestige, it will help students living off the camps to become more interested in the school activities and to participate in them.

It is the fond hope of those who have helped to form this club that it will grow to be one of the leading organizations on the campus, and that it will be of as much service to its future members as it is to the present ones.

# INDUSTRIAL ARTS CLUB

All students, majors and minors, or others who have taken courses in Industrial Arts, are eligible for membership in the Industrial Arts Club. The club was discontinued during the war, but was reorganized again

Pi Omega Pi is a national honorary fraternity whose purpose is to create professional growth and a feeling of fellowship among students interested in the advancement of business education. Members of this organization are required to meet high scholastic standards in business and education subjects. Of the sixty-six chapters in existence in the United States, Beta Chapter was the second to be organized.

Beta Chapter meets semi-monthly to discuss activities and questions concerning business education. Some of its activities include

the publication of a year book every second year, an annual breakfast for graduating seniors of Pi Omega Pi, parties, and discussion meetings. A panel discussion on the future of business teachers was given in January by Dr. Sterling S. Surrey, Mr. Buford Garner, and Mr. Everett W. Brown.

Mr. Dale Blackwell, who holds life membership in the Alpha Zeta Chapter at Southwest Missouri State College, succeeds Miss Helen Johnson as sponsor of the fraternity. The honorary members are: Miss Effie Morrey, Dr. Sterling Surrey, Mr. Clifford Kensinger, and Mr. Buford Garner.

# STUDENT CHRISTIAN ASSOCIATION

The Student Christian Association was organized in 1945 and was composed of former Y. W. C. A. and Y. M. C. A. members. It is an organization of interdenominational united Christian youth on the campus. The goal of the Student Christian Association is the same as that of all followers of Christ — to bring His kingdom to earth. The organization seeks to prove that Jesus Christ is Lord of education as well as politics, economics, social welfare, and religion. To further its goal on this campus, the association largely devotes its labor and services to aiding Christian programs and activities.

The organization meets every second and fourth Thursday of each month at 7:30 p.m. The programs are devoted to worship services, round-table and panel discussions on subjects of interest to the group, special music, and social events.

One of the main campus activities in which the Student Christians took part was Religious Emphasis Week. Members of the association participated successfully in this

program by leading in the worship services at the daily assemblies, and in the youth seminars. Five special leaders were on the campus for the week. Dr. T. Z. Koo of China, Dr. Eugene F. Dawson, Director of Religious Activities at Pittsburg, Kansas; Dr. Marvin Sansbury, pastor of the University Christian Church in Des Moines, Iowa; Mr. P. K. Houdek, Executive Secretary of the Kansas City Social Hygiene Society, and Father William Bresnahan, O.S.B., Conception Abbey, Conception, Missouri, helped to make the programs during the week very worthwhile. The ministers of the churches of Maryville were also participants in the activities.

Plans are being made for several members of the association to attend the Annual Estes Park Youth Conference this summer to gain both spiritual and material aids for the coming year's work. It is also planned to send members of the association to the United Christian Council Conference to be held at the University of Iowa, Iowa City.

# NEWMAN CLUB

The Newman Club is a club of Catholic culture and fellowship organized in order "to deepen the spiritual and enrich the temporal lives of its members through a balanced program of religious, intellectual, and social activities;" to weld the Catholic students into a common union; and to assist the college and its students whenever possible.

The Newman Club is an international organization, extending from Montreal to British Columbia in Canada, on out to Hawaii, Japan, and China, and has over 500 clubs in the largest colleges and universities in the United States.

The majority of these are joined together in an international organization called the Newman Club Federation.

To facilitate the work of the federation, provinces have been formed in different sections, each of which has a chairman

whose duty is to carry out the policy of the federation of his province.

Each Newman Club has a chaplain appointed by the bishop in whose diocese the college is located; his function is the spiritual guidance and assistance of club members. Father R. E. Graham, pastor of St. Patrick's Church, is chaplain.

Activities of the Newman Club range from corporate communions, discussion study clubs, retreats, lectures, and debates, to parties, dances, picnics, dramatics, and card parties.

The ideals of the club are the ideals of its patron, Cardinal John Henry Newman, namely, love of truth, sincerity, candor and intellectual honesty, humility, courage and manliness, gentleness, refinement of manner, purity, aversion for vulgarity and coarseness, and hatred of duplicity.

# WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association, an active organization, was organized on our campus in 1925. The purpose of this organization is to promote sports for women, school spirit, loyalty, and teamwork. Any college girl who has participated in W.A.A. activities during one quarter is eligible for membership.

Softball and hiking were the activities sponsored by W.A.A. during the fall quarter. Softball was under the direction of Mary Booth. Betty Jane Tiemann was in charge of the hiking. At the close of the quarter, for these activities seven new members were initiated in W.A.A. They were Frances Erzen, Jean Overstreet, Dorothy Stanton, Rosetta Reed, Martha Judah, Jo Magnuson, and Nona Beason.

The W.A.A. had the concession stand at the football game with Warrensburg on November 14.

A large number of enthusiastic girls came out for basketball, the sport sponsored during the winter quarter. Dorothy Smith was in charge of this sport. A round robin tournament was played after several practice

games. The following girls participated in a demonstration game for the Girls' Recreation Association of Horace Mann High School: Kathryn Barmann, Nona Beason, Roberta Berry, Mary Booth, Lois Butt, Joan Cutler, Peggy Cross, Jo Magnuson, Jean Overstreet, Lois Queck, Dorothy Stanton, Wanda Smith, Mary Lou Neville, and Joyce Wehrli.

Spring quarter activities included a volleyball tournament, work day, and the annual Playday. A number of teams entered the round robin volleyball tournament held each Monday evening in Room 115. The annual Playday for the senior high school girls of the Northwest District was held on Saturday, April 29. Each member was responsible for earning a dollar on work day.

The officers of W.A.A. are: President, Frances Huntsman; Vice-President, Joyce Wehrli; Secretary, Nila Geer; Treasurer, Mary Lou Neville; Reporter, Sarabel Davis; Playday Chairman, Margaret Teaford.

The W.A.A. had full responsibility for the "Snack Bar" for recreation activities at the main gymnasium.

# ASSOC'N FOR CHILDHOOD EDUCATION

The Association for Childhood Education International is a student branch of a great international organization. It has for its purpose active cooperation with the home, the school, and the community, all of which are working in the interest of children.

Meetings are held the second and fourth Mondays of each month in the Horace Mann kindergarten at 7:15 p.m. Subjects of interest and value make up the program planning. "Understanding Children" opened the programs, and many other interesting ones followed.

The past year's activities opened in September with a party for new members. On October tenth, the branch held its pledging

and initiation. A skit, "What Is A.C.E." was presented.

A red letter day was October 29, when A.C.E. was awarded the third prize for its float in the Homecoming parade. At that time, the organization was hostess to the visiting alumnae at a luncheon at the Methodist Church.

Other outstanding social events for the year were the Christmas party, the Valentine party, and the May Morning breakfast for graduating A.C.E. members.

Plans for a trip by bus to Asheville, North Carolina, to attend the national convention dominated the members' efforts through the year.

Miss Chloe Millikan is sponsor of the organization.

Dance Club Members: Delores Andrews, Mary Booth, Richard Callison, Fred Haynes, Mary E. Henggler, Jim Hill, Martha Judah, Bob Lister, Harmon Mothershead, Richard Myers, Ray

Nixon, Mary Jane Peck, Rosetta Reed, Thesis Robinson, Barbara Roush, Jo Ellen Wilson.

## DANCE CLUB

By assuming the role of the choreographers, members of the Dance Club during the fall, winter, and spring quarters have made an attempt toward the development of the whole personality as well as the physical ability necessary in the execution of dance movements. The techniques learned have been used as the tool for creative use of movement in which group activity has been emphasized in preference to solo work.

The dances composed obviously have evolved into forms unique in the combination of these personalities and their ideas. A special effort has been made to coordinate the objectives of the physical education program with those of art expression and observation of works of art.

Sponsors were Miss Mary Goodman, Fall quarter, and Miss Helen Raattama, Winter and Spring quarters.

# SIGMA PHI DOLPHIN

Sigma Phi Dolphin Club is a reorganization of the Sigma Phi Swimming Club that formerly was active on this campus. The purpose of the club is to promote appreciation of and participation in swimming activities. The sponsor of the club is Miss Jessie Jutten.

In the spring quarter, the club gave its annual spring program. This program consisted of an imaginary tour of the United

States. The numbers were characteristic of the various sections of the U. S. A. These numbers were written by members of the club.

The club gave the program at St. Joseph and Excelsior Springs.

Short demonstrations were given at the intramural Swimming Meet, Senior Day, and W.A.A. Play Day.
